What is Legacy Outfitters?

We are men who use our passion for the outdoors as a way to help each other become better husbands, better fathers, and ultimately the men God calls us to be through our faith in Jesus. Our meetings and events are designed to provide an environment where our Legacy brothers can confidently invite men to be encouraged and challenged by stories of changed lives and restored families.

We believe that "Iron sharpens iron, so one man sharpens another" (Proverbs 27:17), so most of our meetings and events are intended for adult men, age 16 and up.

Legacy Outfitters is not a church, and it is not affiliated with a church or denomination. However, one of our goals is to help men to become the spiritual leaders of their families so they will attend church together. Legacy Outfitters is not a hunting and fishing club. Instead, we use outdoor activities as the setting for spiritual discussions about what God is doing in our lives.

There are no membership fees or dues. All adult men are welcome to become our Legacy brothers by just showing up.
